Help us Make the 2012 Worcester VegFest Rock!

VegFest is Sunday, April 15, 2012 at Worcester Technical High

We need volunteers!

This is our 3rd year and we need some solid people to help us make Worcester's vegetarian festival happen. We need people who can volunteer in the lead-up to the event and on the day of the event.

What can I do?

Between now and April, we need peeps to help us put up posters, design flyers, set up tables at events, prepare mailings, call people, paint banners and signs, and lots of other crafty things.

Volunteer Work-Party Schedule

All work parties will have tasty (and free) vegan snacks. We'll have projects ready, so no need to bring anything.
